

## 2016 UNC/Duke/NCCU BIRCWH Symposium

Mentoring the next generation of leaders, teachers  
and mentors in women's health and sex/gender research

THE UNIVERSITY  
of NORTH CAROLINA  
at CHAPEL HILL

Duke  
UNIVERSITY

Eunice Kennedy Shriver National Institute  
of Child Health and Human Development

Research reported at this symposium was supported by the Eunice Kennedy Shriver National Institute Of Child Health & Human Development of the National Institutes of Health under Award Number K12HD001441. The content is solely the responsibility of the authors and does not necessarily represent the official views of the National Institutes of Health.

---

*Scholars, mentors and leaders of the University of North Carolina at Chapel Hill (UNC) and Duke University/North Carolina Central University (NCCU) Building Interdisciplinary Research Careers in Women's Health (BIRCWH) program have joined today for the 2016 symposium.*

*This annual event is just another way the three universities can share resources to nurture the careers of junior faculty while bringing fresh perspectives to the field of women's health.*

*This meeting is held for the benefit of all members of the UNC, NCCU, and Duke BIRCWH programs – scholars, leaders, and mentors.*
