

Quality and Safety in Women's Health Fellowship Application Information

Thank you for your interest in the Duke University Department of Obstetrics & Gynecology's one-year fellowship program in Quality and Safety in Women's Health. The application for the 2024-2025 fellowship cycle will **close on October 31, 2023 at noon EST**. Applications received after this time will not be considered by the selection committee. Interviews are held in November and December for an August 1 start date the following year (beginning in 2024).

When you are ready to apply, please gather your application materials for a **single** submission.

Required Application Materials:

Please submit the following items in **1 PDF file** to qualityfellowship@duke.edu:

- Resume/CV
- Personal statement including reason for interest (1 page maximum)
- Medical school transcript (official or unofficial)
- 3 Letters of Recommendation
 - one from residency program director
 - one from fellowship program director (If applicable)
 - one from a clinical colleague

If recommenders would like to maintain the confidentiality of their letters, they may email LORs in PDF format to qualityfellowship@duke.edu
